Motions and amendments are usually printed the day after lodging. When an amendment is lodged, then the original motion will be republished alongside it.

### Motions and amendments can be published with symbols:

- \* before the number indicates publication for the first time
- \*...\* around a section of text indicates changes to previously published material
- R indicates a member has declared a registered interest

The Parliamentary Bureau periodically deletes motions or amendments that are over six weeks old and not scheduled for debate.

Questions regarding this section should be directed to the Chamber Desk.

### Members' Business motions that have not achieved cross party support

**\*S5M-23995 Donald Cameron: World Cancer Day 2021**—That the Parliament recognises that 4 February 2021 is World Cancer Day, a global initiative that encourages everyone to put cancer on the global agenda; understands that one in two people will get cancer in their lifetime, that great progress in research has seen survival rates double in the last 40 years, and that Cancer Research UK's vision is to see three-quarters of people with cancer surviving the disease by 2034; notes that this World Cancer Day comes at an extremely difficult time, and recognises the efforts of third sector organisations and groups such as the Scottish Cancer Coalition to support people affected by cancer during the pandemic; understands that COVID-19 has caused significant disruption to screening, diagnosis and treatment of cancer; acknowledges the commitment and determination of NHS staff in delivering cancer services in the face of unprecedented challenges, and notes the belief that it is vital that long-term plans are made to ensure an adequate and resilient cancer workforce and achieve the best outcome for every cancer patient in Scotland.

**\*S5M-23999 John Finnie: COVID-19 Vaccination in Territory Occupied by Israel**—That the Parliament expresses its anger at the Israeli Government's reported failure to vaccinate Palestinians living in the occupied territories against COVID-19; understands that while Israel has the highest rate of vaccination in the world, Palestinians living in the West Bank and Gaza are being denied the vaccination; notes calls from UN human rights experts to ensure that the Israeli state provides swift and equitable access to the vaccine for Palestinians under occupation; further notes the reported statement from the office of the UN High Commissioner for Human Rights which states differential access to vaccines in the occupied territories is "morally and legally" unacceptable, and calls on the Israeli authorities to fulfil what it considers their obligations and provide equal access to vaccinations.

**\*S5M-23998 Gil Paterson: WDCVS Campaign to #WalkBackBetter** —That the Parliament acknowledges West Dunbartonshire Community & Volunteering Services' (WDCVS) work to encourage people in West Dunbartonshire to get active and get outdoors in 2021 by supporting the national #WalkBackBetter Campaign; recognises WDCVS's efforts to bring awareness to the benefits of walking on both an individual's physical and mental health, as well as the many other benefits of keeping active, and how it helps people become involved with their local community; notes that it is working with Paths For All, a national walking charity which runs free walking projects in every local authority area in Scotland, to encourage more people to get active, and wishes WDCVS staff and volunteers well with the campaign and future projects to benefit the communities of West Dunbartonshire.

**\*S5M-23996 Mark Ruskell: Doomsday Clock Set to 100 Seconds to Midnight**—That the Parliament notes the Bulletin of Atomic Scientists' Science and Security Board decision to set the Doomsday Clock to 100 seconds to midnight; understands that this means the clock will remain as close as it has ever been to midnight; recognises the organisation's belief that the COVID-19 pandemic has demonstrated that governments and international organisations are unprepared to deal with the "civilisation-ending" threats of climate change; supports the organisation's call for the complete elimination of nuclear arsenals, and hopes that the scientists' warnings are heeded and that governments across the world take the steps necessary to move the clock further from midnight.

services locally does not match the aspirations of law and national policy and that a commissioner would serve as a means to address this; recognises the daily struggle many of those with autism and learning disabilities have to access their rights to education, work, a family life, healthcare and high-quality social care services; highlights that there are currently an estimated 56,000 autistic people and 120,000 people with a learning disability in Scotland; supports the argument that a commissioner would provide a powerful voice advocating on their behalf with public bodies who have a duty to provide equal access to services and support, and hopes that the Scottish Government will actively consider the creation of such a position in the next session of the Parliament.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
