year campaign to raise funds to do so, which will enable it to take steps to begin realising its vision to use the building as a centre for workshops, residencies and a celebration of the late sculptor and craftsman, Tim Stead's, unique legacy; understands that this is thanks to a large upsurge in donations as the campaign was coming to an end and the possibility of the building having to be sold as a private home was becoming closer to reality, with a few large donations from private donors as well as a number of smaller donations from the public; believes that the home is a fantastic and unique example of Tim Stead's work, which also includes the North Sea Oil Industries Memorial Chapel in Aberdeen's St Nicholas Kirk, the National Museum of Scotland's Millennium Clock and the interior of Glasgow's Cafe Gandolfi, and believes that it is important that it is preserved for future generations as a part of Scotland's cultural heritage.

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no indication is given that the Scottish Government or UK Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills / Session 5 Proposals

<https://www.parliament.scot/parliamentarybusiness/Bills/12419.aspx>

Final Proposal for a Member's Bill

Jamie Halcro Johnston: Proposed Electricians (Scotland) Bill—Proposal for a Bill to provide for the protection of title and registration of electricians (lodged 24 February 2021).

The proposal was accompanied by a summary of consultation responses, which is accessible online via the website page referred to above. The summary and individual responses may also be viewed in the Scottish Parliament Information Centre (SPICe).

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/parliamentarybusiness/Bills/576.aspx>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
