### followed by Ministerial Statement: Scotland's Redress Scheme

### followed by Scottish Government Debate: Scotland Loves Local

**[S6M-02442](#) Tom Arthur: Scotland Loves Local**—That the Parliament supports the ambition to love local and enable people to live well in their communities by encouraging people to think and choose local, supporting local businesses and jobs and building community wealth; commends the efforts of communities since the start of the COVID-19 pandemic in working together to support each other and local businesses; congratulates the winners of the Scotland Loves Local awards announced in November 2021, and welcomes the Scottish Government's commitments on 20-minute neighbourhoods, the transformation of safe spaces for walking, wheeling and cycling, a just transition to net zero, an inclusive wellbeing economy, tackling inequality, and community-led regeneration.

The Presiding Officer has selected the following amendments

**[S6M-02442.2](#) Douglas Lumsden: Scotland Loves Local**—As an amendment to motion [S6M-02442](#) in the name of Tom Arthur (Scotland Loves Local), leave out from "and welcomes" to end and insert "; notes with concern Scottish Retail Consortium figures, which indicate that footfall for November 2021 was down by a fifth from November 2019; recognises, however, that Scotland's high streets and town centres were struggling long before the COVID-19 pandemic began, and calls on the Scottish Government to deliver a budget on 9 December for 2022-23 that will drive local recovery by extending 75% non-domestic rates relief to retail, leisure, newspaper and hospitality businesses, and deliver a fair funding settlement to local authorities, so that they can properly invest in regenerating and supporting high streets and town centres."

**[S6M-02442.1](#) Colin Smyth: Scotland Loves Local**—As an amendment to motion [S6M-02442](#) in the name of Tom Arthur (Scotland Loves Local), insert at end "; recognises that local businesses will play a key role in Scotland's wider economic recovery but that, after months of closures and restrictions, many businesses still face an uncertain future; believes that, consequently, further support is needed in order to sustain and boost our town centres, and calls, therefore, on the Scottish Government to extend the 50% rates relief, which is available in England for retail, hospitality and leisure sectors, to these businesses in Scotland so they are given equal support on their road to recovery, and to produce a £50 high street voucher to provide a cash stimulus for these businesses and encourage footfall in local communities."

12.00 pm First Minister's Questions

12.45 pm Decision Time

(b) that, for the purposes of Portfolio Questions in the week beginning 13 December 2021, in rule 13.7.3, after the word “except” the words “to the extent to which the Presiding Officer considers that the questions are on the same or similar subject matter or” are inserted.

**\*[S6M-02452](#) Gillian Mackay: General Practice During the Pandemic**—That the Parliament recognises that throughout the COVID-19 pandemic GP practices have remained open, and considers that staff have worked incredibly hard to continue to care for patients; understands that GPs and their practices were under pressure before COVID-19 and the pandemic has intensified workload pressures, and considers that GPs and their teams have worked beyond their limits over the last 20 months; believes that there should be support for a mixed model of face-to-face and remote consultations that best meets the needs of the individual patient; considers that this should be in line with what is possible given the available resources and what is deemed clinically appropriate, based on the judgement of GPs and their teams; recognises the need to follow ongoing infection control guidance, particularly in light of the threat posed by emerging COVID-19 variants, such as Omicron, and considers that, with winter pressures looming, there has never been a more critical time to ensure that the profession is properly resourced with a focus on boosting the workforce and retaining those already working in the profession, and is supported with clear, prominent and realistic public messaging to help manage demand.

**\*[S6M-02409](#) Edward Mountain: Lyth Arts Centre Receives £60,000 of National Lottery Funding**—That the Parliament congratulates Lyth Arts Centre (LAC) on receiving funding of £60,000 from the National Lottery in the latest round of Creative Scotland Open Fund awards; notes that these funds will aim to support a programme of activities highlighting environment and climate action called The Land for Those that Work it: Caithness and East Sutherland Climate Beacon, which is in partnership with the University of the Highlands and Islands (UHI), and the mental-health project, Out of the Blue; welcomes the return of the art centre's festive activities and what it sees as the continued growth of the Caithness Artists in Residence scheme, and wishes all those involved in Lyth Arts Centre's projects success in their creative endeavours.

**\*[S6M-02408](#) Edward Mountain: Wick Specsavers Plays Role in Raising £15,000 for UK's Largest Music Therapy Charity**—That the Parliament commends the retailer, Specsavers Opticians, in Wick, on joining with other branches across Scotland to raise £15,000 for the UK’s largest music therapy charity; understands that the Wick store contributed to the cost of approximately 600 music therapy sessions for both children and adults throughout Scotland on four projects delivered by the charity, Nordoff Robbins; recognises Specsavers for its charitable work and understands that the donations collected by its branches will also aim to help Sight

**\*[S6M-02390](#) Meghan Gallacher: White-tailed Eagle Moves from RSPB Endangered Red List to Amber**—That the Parliament welcomes the news that the latest RSPB report, *Birds of Conservation Concern 5*, has recognised the successful reintroduction of the white-tailed eagle to the West of Scotland; considers that exemplary conservation work has enabled this species to move from the endangered species Red list to the Amber list; notes the report's findings that the song thrush, pied flycatcher, grey wagtail, redwing and black redstart have all been downgraded to Amber, and acknowledges that, while this is good news and indicative of best practice conservation work, the first three species are reported to be close to the Red list threshold; congratulates David Sexton, the RSPB's Mull Officer and his team, for their dedication to the white-tailed eagles in Scotland; acknowledges that, after a long struggle, there are now over 150 pairs; considers that this crucial work would not be possible without supporters and partners from other organisations, and further considers that the amazing conservation work undertaken has demonstrated that it is possible to turn things around if resources and support are available.

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
