Election of Members to the Scottish Parliamentary Corporate Body

Further to the announcement in yesterday's Business Bulletin, elections for membership of the SPCB will take place this afternoon. The nomination period will open at 9.30am this morning and close at 1.30pm.

The nominating member should email the Parliamentary Business Team (business.team@parliament.scot) from their parliamentary email address confirming the name of the nominee and the name of the Member who is seconding the nomination. The Parliamentary Business Team will email the nominee and the seconder in order to confirm that the information provided is correct.

Voting procedure is below.

Where the number of candidates is equal to the number of vacancies:

The Presiding Officer will invite members to agree that there be a single vote to elect all the candidates. If all members agree that there should be a single vote, the Presiding Officer will read out the names of the candidates. After all the names are read out, members may vote for or against the candidates, or abstain. The candidates will be elected if there is a simple majority of votes in favour of their election. The candidates will be eliminated from the election if a simple majority of votes in favour of their election is not obtained.

If any member disagrees to a single question being put, a separate vote will be called for each candidate in alphabetical order. Members may vote for or against each candidate, or abstain. The candidate will be elected if he or she obtains a simple majority of votes in his or her favour.

Where there are more candidates than the number of vacancies:

Members will be asked to cast their vote for their preferred candidate. A separate vote will be called for each candidate in alphabetical order. Members must vote once only and only use their "yes" button when voting. If any Member casts more than one vote, their votes will be treated as spoiled, and none of their votes will count. Any member wishing to record an abstention will have an opportunity to do so at the end of voting for the candidates.

Once all voting has been completed, there will be a short delay of a few minutes while the result is verified. The Presiding Officer will then announce: the number of votes cast; the votes for each of the candidates; and the votes to abstain. A candidate will be elected if an overall majority is obtained. If no majority is obtained, the candidate or candidates with the smallest number of votes will be eliminated and a further round or rounds of voting will take place until the vacancy is filled.

Where there are fewer candidates than the number of vacancies:

Voting will proceed in the same manner as if the number of candidates is equal to the number of vacancies. Under Rule 11.10A.19 of Standing Orders, the Presiding Officer will announce that the

total number of vacancies has not been filled and a further election for the remaining candidates will be held. The date and time will be announced in the Business Bulletin.

Questions regarding this section should be directed to the Chamber Desk.

Members' Business motions that have not achieved cross party support

***[S6M-00057](#) Daniel Johnson: Supporting Recovery in the Retail Sector**—That the Parliament notes the recent figures published by the Scottish Retail Consortium indicating that retail sales remain significantly below pre-pandemic levels; remains concerned that, given retail is the largest sector of employment within the private sector, continued depressed sales levels could have major consequences on employment levels, suppliers to the sector and, consequently, the wider economy; considers that local communities rely on local high streets in South Edinburgh and across Scotland, and notes the calls on the Scottish Government to extend support to the sector and to work with trade unions and retail businesses to ensure an effective recovery plan is put in place for this vital sector. **R**

Other new and altered motions and amendments

***[S6M-00060](#) Mark Ruskell: Stop the Destruction of Gillies Hill Redwoods**—That the Parliament supports the campaign to save five threatened redwood trees on Gillies Hill in Cambusbarron; understands that the trees will be destroyed when excavations resume at Murrayshall Quarry in 2022; notes that the trees were planted in the 19th century and stand 164 feet tall; thanks Cambusbarron Community Council, Cambusbarron Community Development Trust and Save Gillies Hill for their efforts to protect the trees, and calls on Patersons Quarries to respect the wishes of the community and guarantee the safety of the trees.

***[S6M-00059](#) Jim Fairlie: Crieff and Strathearn Drovers' Tryst Walking Festival 2021**—That the Parliament welcomes the return of the Crieff and Strathearn Drovers' Tryst walking festival, to be held over 29 to 31 May and 17 to 19 July; recognises that the festival, normally an annual event, celebrates the legacy of the people who made Crieff the cattle-droving crossroads of Scotland in the 1700s; congratulates the organisers on putting together a programme that once again offers a wide choice of guided walks at different levels of difficulty; recognises the work done in ensuring that there will be COVID-19-related adaptations, and wishes all participants a safe and enjoyable Tryst.

***S6M-00056 Tom Arthur: Tribute to Neilston Pipe Major, Iain MacDonald**—That the Parliament welcomes the tribute to Iain MacDonald, who was described as a "pioneer of piping", spending more than 45 years as Pipe Major of the Neilston and District Pipe Band and sadly passed away in 2020; recognises the work carried out by Matt Drennan to erect a bench in honour of his friend, assisted by the Band members, Owen Finnigan and Russell and Cameron Mehan, who cleared the site and laid the foundations; notes the particular design to remember Iain with a piper in silhouette and a Saltire on either side of him; thanks those involved for their kind and thoughtful work, and hopes that this memorial bench will continue to be a place of remembrance for Iain's contribution to the community.

***S6M-00055 Murdo Fraser: Perth Festival of the Arts**—That the Parliament congratulates the Perth Festival of the Arts on organising a host of top acts for the event, which will take place from 20-29 May 2021, with the acts being broadcast from a variety of venues in the city; notes that all the performances will be online, with the exception of a drive-in cinema that is being held at Scone Palace; further notes that the online acts will include the Scottish Chamber Orchestra, with violinist Nicola Benedetti, The Sixteen, pianist Isata Kanneh-Mason and the Scottish Ensemble, and wishes the festival all the best for this year's event and for its future.

***S6M-00054 Anas Sarwar: Condemnation of Current Violence in Israel and the Occupied Palestinian Territories**—That the Parliament condemns all violence and the appalling loss of life in Israel and the Occupied Palestinian Territories; calls on the Scottish Government, the UK Government and the UN to put pressure on Israel and Hamas for an immediate ceasefire; considers that, at the heart of this conflict, there is the ongoing illegal occupation, illegal settlement growth, illegal siege of Gaza and ongoing breaches of international law and human rights violations, all of which it believes must end with an immediate reconvening of meaningful peace talks conducted by a third-party interlocutor from the international community to deliver peace and justice; believes that any prospects of peace are fading fast and that the loss of hope would have devastating consequences; considers that Benjamin Netanyahu is currently a blockage to peace and that all possible pressure should be applied on him and his government to positively engage and act, and believes that there will only be justice when the State of Palestine is internationally recognised and when every Israeli life and every Palestinian life is seen as, and treated as, equal.

***S6M-00053 Pauline McNeill: Welcoming the Announcement of Affordable House Building**—That the Parliament notes the planned construction of 11,000 homes over the next nine years, announced by Lord Willie Haughey; understands the first phase of the development in Glasgow will build good quality affordable housing, which will be available to rent for as much as 50% below current market rents in the city; further understands that the construction and long-term maintenance of these homes will provide some of the jobs and apprenticeships needed to help the economy recover from the COVID-19 pandemic; recognises that Scotland is experiencing a housing crisis, with many families unable to afford to buy their own home, unable to access social housing and left paying unaffordable rents in the private rented sector; believes this type of

***S6M-00052 Alexander Burnett: Lyme Disease Awareness Month**—That the Parliament recognises that May is Lyme Disease Awareness Month, which aims to raise awareness of the disease and the long-term effects it can have on someone's health; acknowledges that cases of Lyme disease have been reported across Scotland, but that diagnosis and treatment of the disease can be difficult and complex; understands that there is still much progress to be made in spreading public health information on how to prevent and treat Lyme disease and other tick-borne illnesses; recognises the hard work of local organisations such as Tick-borne Illness Campaign Scotland, which is dedicated to improving testing, diagnosis and treatment of Lyme disease, such as through petition PE01662, and builds on the work undertaken in Session 5 of the Scottish Parliament to address these issues.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
