S6M-01794 Meghan Gallacher: Better Protection for Scotland's War Memorials—That the Parliament notes the recent petition submitted on behalf of Dennistoun War Memorial, urging the Scottish Government to introduce stronger legislation, which would recognise the desecration or vandalism of war memorials as a specific criminal offence; understands that war memorials hold a very special place within the hearts of Scotland's communities; further understands that there has been an unprecedented increase in the desecration and vandalism of Scotland's war memorials since 2015, with some of those most recently targeted being the war memorial in the Duchess of Hamilton Park in Motherwell, the Carronshore War Memorial, the Boer War Memorial in Glasgow, the Spanish Civil War Memorial in Motherwell, the Kirkcaldy War Memorial, the Cowdenbeath War Memorial, and the Prestonpans War Memorial; notes calls to bring forward stricter legislation

to ensure that war memorials are given special protection status; further notes the view that this would assist the authorities when prosecuting perpetrators of what it sees as these heinous crimes, and believes that war memorials are not representative of political or religious iconography, but are rather invaluable memorials to the young men and women who have paid the ultimate sacrifice for their countries, so that everyone today, irrespective of their background, can equally enjoy freedom from tyranny and oppression.

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at Proposals for Members' Bills/Session 6 Proposals:

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
