followed by Scottish Government Debate: A Scottish Approach to the Mental Health and Wellbeing of Our Veterans in Each Community

[S6M-03381](#) Keith Brown: A Scottish Approach to the Mental Health and Wellbeing of our Veterans in Each Community—That the Parliament recognises the importance of supporting veterans and greatly values the significant contribution that they continue to make in Scotland; notes the NHS National Services Scotland publication by the Scottish Veterans Care Network, *Veterans Mental Health and Wellbeing Action Plan*, setting out how it will take forward key principles to improve veterans' mental health and wellbeing in Scotland, and understands that this action plan highlights the need to take an holistic approach that takes account of housing, employment, education and other needs, and work in partnership across the Scottish public, private and charitable sectors and with the UK Government to ensure that veterans and their families receive the best possible support and access to services across Scotland.

The Presiding Officer has selected the following amendments

[S6M-03381.1](#) Craig Hoy: A Scottish Approach to the Mental Health and Wellbeing of our Veterans in Each Community—As an amendment to motion S6M-03381 in the name of Keith Brown (A Scottish Approach to the Mental Health and Wellbeing of our Veterans in Each Community), leave out from “recognises” to end and insert “believes that veterans must be able to secure the right help at the right time through access to mental health and wellbeing services that are timely, high quality and right for them as individuals; recognises the importance of supporting veterans and greatly values the significant contribution that they continue to make in Scotland; notes the NHS National Services Scotland publication by the Scottish Veterans Care Network, *Veterans Mental Health and Wellbeing Action Plan*, setting out how it will take forward key principles to improve veterans' mental health and wellbeing in Scotland; understands that this action plan highlights the need to take an holistic approach that takes account of housing,

employment, education and other needs, and work in partnership across the Scottish public, private and charitable sectors and with the UK Government to ensure that veterans and their families receive the best possible support and access to services across Scotland, and, while recognising that the plan suggests timelines for delivery on the principles will vary across Scotland, believes that the Scottish Government and partner agencies should aim to assess and implement the 38 action plan recommendations within 24 months, and, furthermore, welcomes the introduction of the Veterans' Recognition Scheme by the UK Government, which will ensure that veterans can more quickly, easily and securely prove that they served in the UK Armed Forces, and access the services that they need.”

[S6M-03381.2](#) Paul Sweeney: A Scottish Approach to the Mental Health and Wellbeing of our Veterans in Each Community—As an amendment to motion S6M-03381 in the name of Keith Brown (A Scottish Approach to the Mental Health and Wellbeing of our Veterans in Each Community), insert at end “; acknowledges the recommendation in the action plan that veterans who are at risk of suicide should be considered in the Scottish Government’s new Suicide Prevention Strategy for Scotland; notes that this strategy is now not due to be published until September 2022, and calls for the Scottish Government to update the Parliament, in advance of its publication, on the action taken to develop and deliver veteran-specific suicide prevention training, and improve access to mental health support for veterans.”

followed by Committee Announcement: Finance and Public Administration Committee: Inquiry into the National Performance Framework: Ambitions into Action

followed by Business Motions

followed by Parliamentary Bureau Motions

[S6M-03409](#) George Adam on behalf of the Parliamentary Bureau: Referral of SSI—That the Parliament agrees that the Local Government Finance (Scotland) Order 2022 [draft] be considered by the Parliament.

[S6M-03410](#) George Adam on behalf of the Parliamentary Bureau: Suspension of Standing Orders—That the Parliament agrees that, for the purposes of consideration of the second supplementary legislative consent memorandum on the Professional Qualifications Bill (UK Legislation), Rule 9B.3.5 of Standing Orders is suspended.

followed by Members' Business — [S6M-02886](#) Emma Harper: Eating Disorders Awareness Week 2022

[S6M-02886](#) Emma Harper: Eating Disorders Awareness Week 2022—That the Parliament notes that Eating Disorders Awareness Week occurs on 28 February to 6 of March 2022 and this year focuses on the importance of Early Warning Signs in Primary Care; further notes reports that eating disorders affect 1 in 50 people across Scotland and the wider UK; understands that more people lose their lives due to eating disorders than any other mental health condition; further understands that the COVID-19 pandemic has exacerbated the number of persons with eating

disorders, with a reported increase of 86% in referrals between 2019 and 2020; notes that the Beat eating disorders charity highlights that less than two hours of medical education leading to a medical degree is focused on eating disorder education; further notes calls from Beat for medical schools across Scotland, and the UK, and the General Medical Council, to ensure that eating disorder education is an important focus of medical degrees, including for those in General Practice training; welcomes the Scottish Government's reported commitment of £120 million for a mental health recovery and renewal fund, with a focus on additional support for mental health in primary care settings and enhanced community support; notes the May 2021 publication of the *Scottish Eating Disorder Services Review*, which it understands makes 15 recommendations on how eating disorder support services can be improved; further notes the calls for the Scottish Government to provide an update on current work to implement the recommendations and better support all those impacted by an eating disorder, and thanks all eating disorders interest groups, including Beat and the Scottish Eating Disorders Interest Group (SEDIG), for their work to raise awareness and understanding of eating disorders, as well as to support those impacted by them.

Motions for Debate

***[S6M-03394](#) Tom Arthur: Local Government Finance (Scotland) Order 2022 [draft]**—That the Parliament agrees that the Local Government Finance (Scotland) Order 2022 [draft] be approved.
Supported by: Richard Lochhead*, Ivan McKee*, Kate Forbes*

***[S6M-03393](#) Richard Lochhead: UK Shared Prosperity Fund – What This Means for Scotland**—That the Parliament agrees that the UK Government's proposed arrangements for the UK Shared Prosperity Fund (UKSPF) are more restrictive than the EU Structural Funds and fail to offer the level of autonomy and influence that the Scottish Government experienced under the EU; believes that the Scottish Government must have an equal role in determining how these funds are used; notes with concern a cross-party report from the Treasury Committee, which estimates that the total value of the UKSPF up to 2024-25 is a 40% reduction on the amount that the UK received under EU structural funds from 2014 to 2020; calls on the UK Government to urgently confirm that Scotland's allocation of the UKSPF matches its lost EU funding, as promised by the UK Government, given the absence of assurances in the Levelling Up white paper; believes that at least £183 million each year is required to deliver this, and calls for the UKSPF to be fully aligned behind the just transition to a net zero economy.

Supported by: Shona Robison*, Christina McKelvie*, Ivan McKee*, Màiri McAllan*, Ben Macpherson*, Jenny Gilruth*, Kate Forbes*, Tom Arthur*

[Prescription \(Scotland\) Act 2018 \(Commencement, Saving and Transitional Provisions\) Regulations 2022 \(SSI 2022/78 \(C. 6\)\)](#)

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

[Proposals for Bills – Scottish Parliament | Scottish Parliament Website](#)

New or Reprinted Draft Proposal

Murdo Fraser: Proposed Fly-tipping (Scotland) Bill – Proposal for a Bill to reduce the incidence of fly-tipping by introducing new measures and strengthening existing measures to prevent it, including by improving data collection, improving enforcement procedures, increasing penalties for offenders, and by making changes regarding liability for the removal of fly-tipped waste. (lodged 28 February 2022)

A consultation document, lodged with the proposal, may be viewed in the Scottish Parliament Information Centre (SPICe) or on the website page referred to above. The consultation period runs from 1 March 2022 to 23 May 2022.

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
