**[S6M-07002](#) Christina McKelvie: Recognising the Vital Role Men Must Play in Challenging and Eradicating Violence Against Women and Girls**—That the Parliament recognises that violence against women and girls is abhorrent and has both a devastating impact on those affected and a destructive impact on the wellbeing of society; acknowledges that the global theme of 2022's 16 Days of Activism Against Gender-based Violence is "UNITE! Activism to end violence against women and girls"; recognises that the eradication of violence against women and girls cannot be achieved without men recognising the vital role they must play on a daily basis in tackling deep-rooted sexism and misogyny that is inherent in the perpetrating of such violence; welcomes Police Scotland's Don't be that Guy campaign as a positive contribution in promoting a wider cultural shift to encourage men to take responsibility for stopping violence and discrimination against women and girls across all settings, and challenging the idea that it is the responsibility of women and girls to protect themselves from male violence, and is united in wanting a strong and flourishing Scotland, where all individuals are equally safe and respected.

## Members' Bills Proposals

### Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). Subsequently, the member may lodge a final proposal, in broadly similar terms to the draft, accompanied by a summary of consultation responses (or the statement of reasons). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

## Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
