Debate on the subject of—

[S6M-09174 Mercedes Villalba: Deconcentrating Land Ownership](#)—That the Parliament understands that, in 2013, just 432 landowners owned 50% of all Scotland's privately-owned rural land; notes that feudal tenure in Scotland was only formally abolished through the Abolition of Feudal Tenure (Scotland) Act 2000; supports the expansion to community rights to buy under the Community Empowerment (Scotland) Act 2015; understands that continuing concentration of ownership remains a significant barrier to communities exercising their rights; considers that land represents a huge reserve of unearned wealth in Scotland, including in the North East Scotland region; notes the view that there is a need for stronger action to disrupt the concentration of land ownership in Scotland; further notes the view that a clearly defined, legally enforced, public interest test is needed to ensure that land holdings work for the benefit of the people of Scotland, and notes the calls for Scotland's land to be owned by, and managed for the benefit of, Scotland's communities.

***[S6M-09635](#) Rachael Hamilton: Celebrating UK Armed Forces Day**—That the Parliament notes that 24 June 2023 is Armed Forces Day, which is a day giving everyone a chance to show their support for the men and women who make up the Armed Forces community, from currently serving troops to service families, veterans and cadets; further notes that Armed Forces Day takes place on the last Saturday of each June, and that celebrations began on 19 June when the Armed Forces Day flag was raised on buildings and famous landmarks around the country; considers that showing support for the Armed Forces provides a much valued morale boost for the troops and their families, who are often on long stretches of deployment at a time; understands that the Armed Forces defend the UK and its interests, and that all members are busy working around the world, promoting peace, delivering aid, tackling drug smugglers, providing security and fighting terrorism, and thanks every regular, reservist and veteran for keeping this island nation safe 24/7 and championing the rules-based international order, which it considers is ever so critical to peace in the 21st century.

Members' Bills Proposals

Proposals for Members' Bills

A member seeking to introduce a Member's Bill must first lodge a draft proposal, together with a consultation document (or a statement of reasons why consultation is not considered necessary). The member secures the right to introduce a Bill to give effect to the proposal if the final proposal secures, within one month, the support of at least 18 other members from at least half the political parties or groups represented in the Parliamentary Bureau, and provided no statement is made that the Scottish Government is planning equivalent legislation.

All current proposals (together with associated documents) are available on the Scottish Parliament website at [Proposals for Members' Bills/Session 6 Proposals](#):

Progress of Legislation

A list of all Bills in progress can be accessed via the Scottish Parliament website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
