***[S6M-19671](#) Karen Adam: Banff & Macduff Men's Shed Given The King's Award for Voluntary Service**—That the Parliament congratulates Banff & Macduff Men's Shed on being awarded The King's Award for Voluntary Service, which is the highest honour that a local voluntary group can receive, and the equivalent of an MBE; recognises the invaluable contribution that the group makes to the local community, providing a welcoming space for men to gather, share skills and find friendship and purpose; acknowledges the positive impact that the shed has on members' health and wellbeing through connection, creativity and community involvement; notes that since its establishment in 2018, Banff & Macduff Men's Shed has gone from strength to strength, offering a range of activities and practical support to local groups and initiatives, and has twice been named Scottish Men's Shed of the Year, and pays tribute to the dedication, skill and kindness of its members and volunteers, whose efforts, it believes, continue to enrich the lives of many and strengthen community spirit in Banff and Macduff.

***[S6M-19670](#) Karen Adam: Peterhead Area Community Trust Named Most Enterprising Community 2025**—That the Parliament congratulates the Peterhead Area Community Trust (PACT) on being named Most Enterprising Community at the 2025 Scotland Loves Local Awards; recognises that this national accolade celebrates what it sees as PACT's remarkable volunteer-led transformation of Victoria Park in Peterhead, turning it into a vibrant, inclusive public space that supports social enterprise, improves wellbeing and contributes to reducing crime; commends PACT's community-led approach, engaging local residents to shape the park's redevelopment and ensuring that it provides accessible leisure and sports facilities for all; acknowledges that PACT's work is supported by both the Scottish Government and Aberdeenshire Council as a model of grassroots regeneration, reducing poverty and tackling isolation while instilling pride in the local community; pays tribute to everyone involved for their dedication, time and vision in delivering lasting change for Peterhead, and celebrates Scotland's Towns Partnership and the Scotland Loves Local movement for championing the creativity, enterprise and resilience of local communities like Peterhead.

***[S6M-19661](#) Joe FitzPatrick: Dundee and US-based Stroke Surgeons Perform World's First Thrombectomy Using a Robot**—That the Parliament congratulates neurosurgeons from the University of Dundee and Jacksonville, Florida, for performing the world's first thrombectomy procedure using robots; understands that a thrombectomy is a procedure to treat stroke patients by surgically removing a blood clot from the brain; notes that Professor Iris Grunwald, who is based at Ninewells Hospital, used a robot to perform the procedure remotely on a human cadaver located at the University of Dundee; recognises that this was followed up by Ricardo Hanel, a neurosurgeon based in Florida, performing the first transatlantic surgery on a cadaver in Dundee from his location in Jacksonville; agrees with the Stroke Association that this is a "remarkable innovation" in stroke treatment, and could potentially help address challenges in delivering thrombectomies such as workforce capacity and geographical access; believes that, presently, thrombectomies are performed at three hubs in Scotland and that there is currently an inequity of access to this vital procedure for stroke patients depending on when and where they have strokes; commends the work of the researchers involved in the procedure, and encourages the Scottish Government to do everything possible to expand thrombectomy to a 24/7 national service, in line with the 2023 Stroke Improvement Plan.

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 4.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.
