***[S6M-20858](#) Ash Regan: Motion of No Confidence**—That the Parliament has no confidence in the Minister for Victims and Community Safety, in light of her failure to bring forward legislative or strategic measures to address the demand driving commercial sexual exploitation of women and children; notes escalating sexual crime figures in Scotland; acknowledges confirmation from the Crown Office and Procurator Fiscal Service and the Lord Advocate that sex buying overlaps with other sexual and domestic abuse crimes and that criminalising the purchase of sex is in the public interest; notes that Police Scotland has identified current legal limitations in tackling the purchase of sex which proposed legislation, in the Prostitution (Offences and Support) (Scotland) Bill, also known as the Unbuyable Bill, sought to address; recognises repeated warnings from survivors, advocacy organisations, and frontline services calling for preventative and protective measures; believes that the Minister has failed to advance legislation to address demand within her portfolio responsibilities or to demonstrate meaningful engagement with survivors of prostitution; considers this a serious failure of ministerial responsibility in protecting vulnerable women and children from commercial sexual exploitation, and calls for accountability in office with the resignation of the Minister for Victims and Community Safety.

Progress of Legislation

A list of all Bills in progress can be accessed via the website at:

<https://www.parliament.scot/bills-and-laws/bills>

For each Bill, the date of the next (or most recent) event in the Bill's passage is given. Other relevant information, e.g. about lodging amendments, is given in italics.

As soon as a Public Bill (i.e. a Government, Committee or Member's Bill) has completed Stage 1, amendments for consideration at Stage 2 may be lodged; and as soon as Stage 2 is completed, amendments for Stage 3 consideration may be lodged. The last lodging day for amendments at Stage 2 is four sitting days before the meeting at which those amendments will be considered (e.g. Wednesday for a meeting on Tuesday); at Stage 3 it is five days before. Amendments may be lodged until 2.30 pm on any sitting day, except on the last lodging day for each Stage, when the deadline is 12 noon.

A Hybrid Bill is subject to the same rules except in the case of Stage 2 where amendments for consideration may be lodged no earlier than the completion of any consideration of evidence at Stage 2.

Amendments to Private Bills are subject to different deadlines. These are set out in Rule 9A.12 of Standing Orders.

Members are advised to lodge amendments in good time before the beginning of a Stage and as early as possible during the day.

(G) = Government Bill; (M) = Member's Bill; (C) = Committee Bill; (P) = Private Bill; (H) = Hybrid Bill.
