

Health, Social Care and Sport Committee

8th Meeting, 2022 (Session 6), Tuesday, 22 February 2021

Stakeholder evidence session: Social care

Note by the Clerk

Introduction

1. At its meeting today, the Health, Social Care and Sport Committee will take evidence on current issues facing Scotland's social care sector from stakeholders representing the sector.

Background

2. The Committee previously held a roundtable discussion on social care with stakeholders from the social care sector on [28 September 2021](#).
3. On 27 January 2022, Audit Scotland published a [social care briefing](#) which highlighted critical issues in delivery of social care services.
4. In its [2021-22 Programme for Government](#), the Scottish Government made a commitment to bring forward legislation to establish a new National Care Service by June 2022.
